

Piero Benatti: Curriculum vitae

Born in Mantova January 13rd 1965

Academical degrees:

Graduated in Medicine at University of Modena (110/110 cum laude) on 20 March 1992.
Major in Internal Medicine (d.lgs. 8/8/91, n. 257), at University of Modena (50/50) on 23 October 1998.

Ph.D. in Gastrointestinal Oncology (XIV course; University of Modena and Reggio Emilia and University of Bologna) on 18 February 2002 discussing a thesis entitled "Clinical and biomolecular heterogeneity of Hereditary Nonpolyposis Colorectal Cancer".

University Researcher at University of Modena and Reggio Emilia (scientific field MED/09) since 1st November 2002 to now.

Grants/Awards

"Angela Serra" Foundation: grant for scientific research on colorectal cancer in the period 1st April-31st December 1992.

AACR-Pezcoller Foundation "Young Investigator Scholar Award", 91st AACR annual meeting.

AACR-Pezcoller Foundation "Scholar in Training Award", 92nd AACR annual meeting.

Main scientific activity:

since 1991, member of the "Study Group on Colorectal Tumors" of the University of Modena and Reggio Emilia.

Main fields of research:

Epidemiology of colorectal tumors.

Identification and clinical characterization of hereditary nonpolyposis colorectal cancer (HNPCC).

Identification and clinical characterization of Familial Adenomatous Polyposis (FAP).

Genetic counselling for hereditary forms of colorectal cancer.

Biomolecular characterization of HNPCC (mismatch repair genes and microsatellite instability).

Author of 132 publications. Among these, 52 are original article, published in international journal with impact factor, 72 abstracts, 5 monographies.

He has attended to many national and international scientific meetings, presenting oral and poster communications.

Academic activity

Teacher in Clinical Methodology and clinical tutor in Internal Medicine in the Faculty of Medicine of the University of Modena and Reggio Emilia. Member of the teaching board of post graduate school in Anesthesiology and Intensive care since 2023.

Teacher in Internal Medicine at Post Graduate School in Sport Medicine (2002-2008) and Post Graduate school of Emergency (2011-present) at University of Modena and Reggio Emilia.

Member of the academic board of the Ph.D. course in clinical and experimental oncology at University of Modena and Reggio Emilia.

Invited teacher in many seminars and scholar course. Among them: University Master: "Molecular diagnostic and therapeutical choices in Oncology and Hematology", course on Hereditary Non Polyposis Colorectal Cancer at Mediterranean School of Oncology, course of AIRT (Associazione Italiana Registri Tumori) on methodology of registration of colorectal cancer; course "Training for stoma care" AISTOM- University of Modena and Reggio Emilia-Policlinico of Modena.

Clinical Activity

1990-1992 Internal student at Department of Internal Medicine – University of Modena

1993-1998 Resident doctor at the Post Graduate School in Internal Medicine – University of Modena and Reggio Emilia

2002 – 2019 Senior doctor at the First Medicine Division of the Department of Medicines and Medical Specialties of University Hospital of Modena.

2019-2020 Senior doctor at Internal Medicine Division of the Department of Medicines and Medical Specialties of University Hospital of Modena

2020-present Senior doctor at the Post Acute Care Medicine Unit of the Department of Medicines and Medical Specialties of University Hospital of Modena

01/09/2024
