Social skills and competences

While studying at university, she worked as tour leader from 1980 to 1990 for various tour operators, travelling around the world and learning to deal with a wide range of people. Since 1989 she has been working as tutor of students of the medical school and of the legal medicine post-graduate course. Her work focuses on training in research and in professional education. She is used to working in interdisciplinary fields, and has experience in bringing together, for research purposes, doctors with a wide range of specialist skills, nurses, psychologists, biologists, chemicals, sociologists, anthropologists, philosophers and jurists. She collaborates with the Institute of Legal Medicine of Padua in a research project in omic sciences. She has recently embarked on a research project in nanotechnology with the Faculty of Engineering of Rome. Many of her publications are joint collaborations with colleagues from other Italian universities and from German (Münster, Essen, Hamburg) and Portuguese universities (Coimbra).

Her social skills has brought her to the following positions of responsibility:

1994-2000 and 2003-2006: Auditor at the International Academy of Legal Medicine

2003 – Secretary of the Health Commission of the Italian League for Human Rights, Member of the *Fédération Internationale des Ligues Droits de l' Homme*

2006 – Vice-President of the Degree Course in Occupational Therapy

2007 – Coordinator of the Foreign Relation Group of the Italian Society of Legal Medicine

2007 – In charge of the Bioethics section of the official website of the Italian Society of Legal Medicine

1999 - 2010 – Secretary and Treasurer of the Italian Group of Forensic Pathology of the Italian Society of Legal Medicine

2010 – Vice-President of the Italian Group of Forensic Pathology of the Italian Society of Legal Medicine

2011 – Member of the Ethics Commission of the “Celio” National Military Hospital

2011 – Member of the Board of the Interdepartmental Center on Studies on Military Ethics (CISEM)

2012- 2013 – Member of the Ethics Commission of the Policlinico Umberto I of Rome teaching hospital of the University Sapienza

2013 – Representative of the Italian Health Ministry in the Expert Commission of the Italian Civil Protection for the drawing up of a Protocol on Mass Disasters

2014 – Vice-President of the Ethics Committee of the “Celio” National Military Hospital

2015 - President of the Ethics Committee of the “Celio” National Military Hospital

2023 - Vice-President of the International Academy of Legal Medicine

2023 - Delegate Person for Italy on the board of the European Council of Legal and Forensic Medicine

Organisational skills and competences

Since 1999, she has been organizing six-monthly seminars and triennial congresses for the Italian Group of Forensic Pathology of the Italian Society of Legal Medicine, which appeal greatly to young legal doctors. She has introduced seminars on the doctor-patient relationship, and the relationship between terminally-ill patients and the doctor, respectively, in the third and fifth years of the degree in Medicine.

Technical skills and competences

During a 15-month training period at the Institut für Rechtsmedizin of the University of Muenster (Dir. Prof. Bernd Brinkmann), she learned the following techniques: immunohistochemistry, in-situ hybridization, PCR and nested PCR

International professional experience

During a 15-month training period at the Institut für Rechtsmedizin of the University of Muenster (Dir. Prof. Bernd Brinkmann), she collaborated actively with the European Council of Legal Medicine in drawing up a protocol for the harmonization of autopsies. She collaborated with Prof. Nuno Duarte Vieira in an advanced course on road traumatology from March to May 2003 in Coimbra (Portugal).

During a 1 month at the University of Wakayama (Japan), she started a collaboration in the field of forensic histopathology with Prof. Toshikazu Kondo and his team.

National acknowledgement

2021: Member of the Board of the Italian Society of Legal Medicine (SIMLA)

2014: President of the Italian Group of Forensic Pathology (GIPF)

2010: Vice-President of the Italian Group of Forensic Pathology (GIPF)

2007:Coordinator of the Foreign Relations Group of the *Italian Society of Legal Medicine* (SIMLA). Her international activities focus on collaborating with the European Academy of Legal Medicine (EALM).
