APPRENTICESHIPS

- Date June 2008 - September 2008
- Name and type of training institution **Porterbrook Clinic and Hallamshire Hospital Urology Department in Sheffield (UK)**
- Activities performed Internship for the School of Clinical Psychology (Clinical Sexology Area)

- Date September 2006 - April 2008 and September 2008 - September 2009
- Name and type of training institution **Psychiatric Rehabilitation Centre – "Villa Serena" Nursing Home (Città S. Angelo – PE, Italy)**

- Activities performed Internship for the School of Specialisation in Clinical Psychology.
- Date 15 September 2004 - 14 March 2005
- Name and type of training institution **Psychiatric Rehabilitation Centre – “Villa Serena” Nursing Home** (Città S. Angelo – PE, Italy)
- Activities performed Second semester internship (clinical area) supervised by Dr Giancarlo Butti
- Date 15 March 2004 - 14 September 2004
- Name and type of educational or training institution **Jacobs Centre for Lifelong Learning and Institutional Development at IUB International University of Bremen (Germany)**
- Activities performed The activity carried out during this semester of **internship (developmental area)** consisted mainly in the study of the constructs of Life-Span Psychology and in an in-depth study of the international literature on 'Intergenerational Programs'. Particular attention was given to the study of 'Mentoring' as one of the most effective and widespread intervention tools used against the prevention of early school leaving in Europe and the U.S.A. After a presentation on the aforementioned topics to the research team, we designed an intervention and drawn up a manual for its implementation entitled *“An exhibition about the Future. An Intergenerational Programme”*.
Supervisors: Prof. U. M. Staudinger (IUB Vice-Rector) and Dr Eva-Marie Kessler
