English

BASIC SCHOOLING

BASIC SCHOOLING

BASIC SCHOOLING

High interpersonal (counselling skills) and educational skills that enable effective management of relations with colleagues, students, university lecturers, coordinators and departmental managers of affiliated and non-affiliated companies.

In and out of hospital: taking care of patients and family members/care givers with polypathology in different clinical settings (surgical, cardiology, elderly, psychiatric, oncology). Skills in managing the intra-hospital clinical pathway and protected discharge.

In higher education: design skills, organisation in the management of student learning pathways. Analysis of training needs, monitoring and evaluation of clinical placements, evaluation of student pathways.

In hospital and non-hospital settings: excellent technical and gestural skills in procedures as per professional profile Ministerial Decree 739 of 1994.

In university: ability to use basic computer programmes 'office package'.

from 1988 to 1998 I volunteered at the Italian Red Cross - Reggio Emilia branch - where, together with other volunteer colleagues, we made possible the activation of the first Medical Car in agreement with the USL No. 9 of Reggio Emilia.
