 - Type of business or sector Local Health Authority of Modena
 - Occupation or position held Psychiatric Rehabilitation Technician
 - Main activities and responsibilities Care and treatment of patients with pathological addictions.

EDUCATION AND TRAINING

- Dates (from / to) November 2023 to present
- Name and type of organisation providing education and training University of Modena and Reggio Emilia, PhD Program in Cognitive Neuroscience and Psychology
- Principal subjects / occupational skills covered Study of cognitive functions in humans through the identification of mental operations and of the neural substrate underlying them, by means of behavioral and testing methodologies as well as psychophysiological and neuroimaging techniques, with healthy participants or neuropsychological patients. The program investigates the neurocognitive mechanisms involved in mental and psychological abilities such as language, personality, attention and executive functions, spatial representation, and the relationship between perception and action. Further research lines are oriented toward social neuroscience and include the study of the expression, recognition and regulation of emotions, of empathy and pain perception, of the ability to represent others (theory of mind) and to carry out joint actions.

• Title of qualification awarded	PhD
• Dates (from / to)	July 2023 to December 2025
• Name and type of organisation providing education and training	Università degli Studi Niccolò Cusano, Typical and Atypical Developmental Psychology
• Principal subjects / occupational skills covered	Specialist training in cognitive neuroscience, developmental neuropsychology and child psychopathology. Skills in psychological assessment, design of evidence based interventions and parenting support. In depth study of resilience, vulnerability, neurodevelopmental disorders and cognitive enhancement techniques. Professional internship and laboratory in professional ethics and deontology.
• Title of qualification awarded	Degree in Psychology (Dottoranda in Psicologia)
• Level in national classification (if appropriate)	109/110
• Dates (from / to)	September 2024 to October 2024
• Name and type of organisation providing education and training	University of Verona, Advanced Course in Systematic Reviews and Meta analyses for the production of evidence based guidelines in healthcare
• Principal subjects / occupational skills covered	Data analysis, assessment of the quality of evidence, application of the risk of bias tool, use of the GRADEpro software, data extraction, use of the Review Manager software, study protocol, search strategies and study selection, evaluation and discussion of the systematic review: clinical implications, online learning and knowledge transfer from systematic reviews to clinical practice, and final examination.
• Title of qualification awarded	N/A
• Level in national classification (if appropriate)	Passed
• Dates (from / to)	2017 to 2019
• Name and type of organisation providing education and training	IESCUM, Second Level Master's Program in ABA: The analysis of behavior: theoretical and methodological aspects and application to the autistic disorder
• Principal subjects / occupational skills covered	Foundational Knowledge, Fundamental Elements of Behavior Change and Specific Behavior Change Procedures, Measurement and Experimental Design in Behavior Analysis, Functional Assessment in Behavior Analysis, Intervention, Behavior Change Considerations and Behavior Change Systems, Discretionary, Implementation, Management and Supervision, Ethical and Professional Conduct.
• Title of qualification awarded	Applied Behavior Analyst, member of the Italian Society of Experimental and Applied Behavior Analysts (SIACSA) and of ABAIT. Certifications: Board Certified Behavior Analyst (BCBA®) No. 1-21-53774, International Behavior Analyst (IBA®) No. 60054829
• Level in national classification (if appropriate)	Passed
• Dates (from / to)	2011 to 2014
• Name and type of organisation providing education and training	University of Milan, Master's Degree in Cognitive Sciences and Decision Making Processes in the Medical Field
• Principal subjects / occupational skills covered	Anatomical and physiological bases of cognitive processes, Statistical methodology for data analysis, Cognitive psychology, Social psychology, Computational knowledge representation, Logic and rhetoric, Theories of argumentation, Medical decision making and risk management, Health economics and management, Neurology of cognitive processes, Psychology of decision making, Clinical ethics, Theories of language and mind.
• Title of qualification awarded	Master's Degree in Cognitive Sciences and Decision Making Processes in the Medical and Healthcare Field
• Level in national classification (if appropriate)	106/110
• Dates (from / to)	2007 to 2010
• Name and type of organisation providing education and training	University of Modena and Reggio Emilia, Faculty of Medicine and Surgery, Degree Course in Psychiatric Rehabilitation Techniques

• Principal subjects / occupational skills covered	Psychological sciences, Demo ethno anthropological disciplines, Performing arts disciplines, Glottology and linguistics, Child and adolescent neuropsychiatry, Developmental psychology, Educational psychology, Nursing sciences, Applied biology, Medical genetics, Biochemistry, Scientific English, Applied physics, Medical statistics, Computer science, Psychiatry, General health law, deontology and bioethics, Histology and human anatomy, Hygiene and pharmacology, Business organization, Work and organizational psychology, Human physiology, Dynamic psychology, Neurology, Information processing systems and statistics for experimental and technological research, nursing sciences and neuropsychiatric and rehabilitation techniques.
• Title of qualification awarded	Psychiatric Rehabilitation Technician. Registration No. 57 in the register of the health profession of Psychiatric Rehabilitation Technician at the TSRM PSTRP Order of Modena and Reggio Emilia, since 17/01/2019.
• Level in national classification (if appropriate)	108/110

PERSONAL SKILLS AND COMPETENCES

MOTHER TONGUE	ITALIAN
OTHER LANGUAGE	ENGLISH , C1
• Reading skills	VERY GOOD
• Writing skills	VERY GOOD
• Verbal skills	EXCELLENT
SOCIAL SKILLS AND COMPETENCES	• Ability to adapt to multicultural environments, gained through the research fellowship within the Erasmus+ Program project Empower.Ment (https://empower-ment.eu). • Communication skills, gained through experience as a Lecturer at the University of Modena and Reggio Emilia since 2015.
ORGANISATIONAL SKILLS AND COMPETENCES	• Organizational skills, gained through the research fellowship within the Erasmus+ Program project Empower.Ment (https://empower-ment.eu). • Experience in managing projects and groups, gained through the supervision of clinical cases and of degree theses with students of the Degree Course in Psychiatric Rehabilitation Techniques at the University of Modena and Reggio Emilia.
TECHNICAL SKILLS AND COMPETENCES	• Computer skills, gained by taking the examinations for the ECDL computer literacy certificate.
ARTISTIC SKILLS AND COMPETENCES	• Diploma in Dramatic Arts from the "Campogalliani" drama school.
<i>Music, writing, drawing, etc.</i>	Certifications: Board Certified Behavior Analyst (BCBA®) No. 1-21-53774, International Behavior Analyst (IBA®) No. 60054829

CONTINUING EDUCATION

- Verbal Behavior Workshop, Vincent Carbone, at the University of Salerno, 5 to 7 September 2018.
- Vineland 2 Course, Giunti Editore, November 2018.
- PECS Level I and Level II Course, Pyramid Education, January to May 2019.
- Course "ABA in Classroom Setting: The Morningside Model", 8 to 10 June 2019.
- Advanced workshop "Practical Functional Assessment and Skill Based Treatment of Severe Problem Behavior", Gregory P. Hanley, IRFID (Naples), 30 June 2019.
- Advanced workshop "Functional treatment of motor and vocal stereotypies and of food selectivity", Gregory P. Hanley, at IRFID (Naples), 22 September 2019.
- Workshop "Problem behavior and feeding disorders in the pediatric age", W. Fisher and C. Piazza, at Consorzio Universitario Humanitas, 16 to 17 November 2019.
- Advanced Topics in Verbal Behavior, Vincent Carbone, 24 to 25 October 2020.
- "Essential for Living" basic and advanced modules, Vincent Carbone, Centro Autismo Enrico Micheli (Novara) and ABA for Disability, December 2020 to June 2021.
- G ESDM Workshop, Giacomo Vivanti, February 2021.
- SCERTS Model Workshop, Hogrefe, March 2021.
- Sensory Processing Measurement Workshop, Hogrefe, May 2021.
- Primary Course in Applied Statistics and Research Methodology for the Medical and Social Sciences, Rome, 25 to 27 June 2021.
- Measurement and Research Designs, Fondazione Oltre le Parole Onlus, July 2021.

- 5th Evidence Based Research (EBR) Training School “Identifying a Need for a New Research Study”, June to September 2022.
- “Observational studies: planning, conduct, analysis and reporting”, GIMBE Education, November 2022.
- “Editing and Publishing”, GIMBE Education, December 2022.
- Course “Programming with the EBIC”, Francesca degli Espinosa (basic, intermediate and advanced levels), December 2022 to April 2023.
- Social Skills Course, Pane e Cioccolata, January/February and March 2024.
- Transition Age Course, Pane e Cioccolata, February/March 2025.

INTERNATIONAL EXPERIENCE

- April 2026: Visiting Lecturer, University of Missouri St. Louis (UMSL), College of Education, Department of Educator Preparation and Leadership, St. Louis (MO), USA. Contact person: Dr. Meral Koldas, BCBA-D, LBA. Two guest lectures in the Master's courses in Applied Behavior Analysis: “Matching Law and Its Application to Feeding Disorders” (SPEC ED 6647: Advanced Concepts and Principles in Behavior Analysis, 13 April 2026) and “Feeding Assessment and Interventions for Feeding Disorders” (SPEC ED 6642: Behavioral Assessment, 16 April 2026).
- 20 to 24 April 2026: Visiting Scholar, Multidisciplinary Feeding Program, Marcus Autism Center and Center for Advanced Pediatrics, Children's Healthcare of Atlanta, Atlanta (GA), USA. Coordinator: Kathryn Peterson. A week of full day observations, clinical meetings and training at the Pediatric Feeding Disorders Program.
