2015	Visiting PhD student, University of Tilburg, Netherlands (under the supervision of Arthur van Soest)
2014	Summer School in ‘Advanced poverty research: poverty and material deprivation dynamics’, Luxembourg Institute of Socio-Economic Research, Esch-Belval, Luxembourg

Grants and Research activities:

- 2026- Principal investigator of the UNIMORE FAR 2025 project (FOMO Line) entitled “*Modena’s Marginalization Awareness Project. Reaching Hard-to-Survey Populations (MAP-MO)*”. Funding body: Modena Foundation.
- 2025- External collaborator for the updating and validation of the OECD TAXBEN database and related model.
- 2025- Participant of the research project entitled “*Analysis of early childhood education services in the Municipality of Scandiano*” financed by Municipality of Scandiano (Principal investigator: Massimo Baldini).
- 2025–26 Participant of the research project entitled “*Poverty in Emilia-Romagna: a quantitative analysis*” financed by Emilia-Romagna Region (Principal investigator: Massimo Baldini).
- 2024–26 Principal investigator of the FAR DEMB 2024 project entitled “*Evaluation tools for sustainability: evidence from local and regional welfare*”. Funding body: UNIMORE.
- 2024–25 Collaborator in the research project entitled “*Integration of sample survey data relating to the various income sources of individuals and households residing in Italy (the IT-SILC survey) with INPS longitudinal administrative information on ISEE and on individuals’ incomes, including transfer income, for the members of the sample, for the purpose of analysing the dynamics of absolute poverty.*” (Principal investigator: Michele Raitano).
- 2023–24 Participant of the research project entitled “*Project Amartya – Tax-benefit microsimulation models of the impact of regional policies on families in Emilia-Romagna*” funded by Emilia-Romagna Region (Principal investigator: Massimo Baldini).
- 2022–25 Participant of the research project entitled “*Observatory for Territorial Sustainability. Application in the Municipality of Modena*” funded by Ministry of Education and University Research (Principal investigator: Massimo Baldini).
- 2020–24 Collaborator in the research project entitled “*Recipients of income support benefits – in particular the Citizenship Income (Rdc) and the previous Inclusion Income (Rei) – for an assessment of the territorial distribution of these measures and their take-up*”, funded by Italian Social Security Institute (INPS) through the “*Visitinps Scholars Program type B*” selection (Principal investigator: Massimo Baldini).
- 2022–24 Principal investigator of the FAR DEMB 2022 project entitled “*The roles of instructor-student similarities, surnames, and beauty on UNIMORE students’ outcomes and early career jobs*”. Funding body: UNIMORE.
- 2022-23 Participant of the research project ‘*Valutazione dell’incrocio tra ricezione del Reddito di Cittadinanza (RdC), povertà relativa e povertà assoluta di reddito e di consumo e stima degli effetti del RdC su offerta di lavoro e scelte di consumo dei beneficiari*’ financed by Italian Ministry of Economics and Finance (coordinator: Michele Raitano)
- 2022-23 Participant of the research project ‘*University and Social Cohesion: The UNIMORE case*’ financed by FAR 2021 (coordinator: Fabrizio Patriarca)
- 2021-22 Principal investigator of the research project ‘*Nothing is born from diamonds. From the study of pandemic effects on income levels to the introduction of a new measurement of poverty in Italy*’, Sapienza University of Rome
- 2020-22 Postdoctoral research fellowship in ‘*The analysis of short- and long-term volatility of wages and incomes in Italy and the European Union*’, Sapienza University of Rome (coordinator: Michele Raitano)
- 2021 Participant of the research project ‘*Costruzione di un dataset integrato di origine campionaria e amministrativa al fine di stimare l’associazione fra redditi e consumi familiari, sviluppare un modello previsionale della povertà assoluta, valutare gli effetti distributivi delle imposte sul reddito e sul consumo e stimare l’estensione dell’evasione fiscale*’ financed by Italian Ministry of Economics and Finance (coordinator: Michele Raitano)
- 2019-20 Postdoctoral research fellowship in ‘*The Age of Minimum Income Schemes. A multilevel and multidimensional evaluation of public policies to fight poverty in Italy*’, INAPP (coordinator: Marco Centra)
- 2017-18 Postdoctoral research fellowship in ‘*Politiche di reddito minimo contro la povertà in Emilia-Romagna*’, University of Modena and Reggio Emilia (coordinator: Massimo Baldini)
- 2017-18 Participant of the research project ‘*Household financial choices and poverty in a behavioral perspective*’ financed by FAR 2016 (coordinator: Costanza Torricelli)

- 2015-17 Participant of the research project ‘Heterogeneity of individual and household choices: implications for design and dissemination of financial and pension products’ financed by FAR 2014 (coordinator: Costanza Torricelli)
- 2014-17 Scholarship for PhD by Giacomo Brodolini Foundation (Roma)

Teaching:

- 2025- Governance of the Territorial Welfare, University of Modena and Reggio Emilia.
- 2023- Corporate and Financial Taxation, University of Modena and Reggio Emilia.
- 2023- Methods for Policy Impact Evaluation, University of Modena and Reggio Emilia.
- 2022- Public Economics, University of Modena and Reggio Emilia.
- 2020-22 Microeconometrics, University of Modena and Reggio Emilia.
- 2020 Welfare Systems, University of Modena and Reggio Emilia.
- 2019-23 International Economics, University of Modena and Reggio Emilia.
- 2016-19&21 Tutor for Welfare State Economics, University of Bologna.
- 2017-18 Tutor for Macroeconomics, University of Modena and Reggio Emilia.
- 2014-18 Exercise classes, Microeconomics, University of Modena and Reggio Emilia.
- 2015-17 Data Analysis for Evaluation of Public Policies, University of Bologna.
