

# ENGLISH EUROPEAN CURRICULUM VITAE

---

## Personal Information

**Name:** Monari Francesca

**Address:** Via Buzzati Traverso 5, Castelnuovo Rangone, 41051, Modena

**Phone:** +39 347 7884499

**Email:** frmonari@unimore.it

**Nationality:** Italian

**Date of Birth:** October 23, 1981

**ORCID:** 0000-0002-1831-3086

## Education and Training

- **1995–2000**  
Scientific High School Diploma, "A. Tassoni" High School, Modena, Italy (2000).
- **2000–2006**  
Degree in Medicine and Surgery, University of Modena and Reggio Emilia (July 19, 2006).  
Experimental thesis: "*Attitudes of healthcare professionals in the province of Modena regarding Cesarean Section.*"  
Final grade: 110/110 with honors.
- **2007**  
Registered with the Medical Association of Modena from March 12, 2007 – Registration No. 6081.
- **2008–2013**  
Specialization in Obstetrics and Gynecology, University of Modena and Reggio Emilia (March 11, 2013).  
Experimental thesis: "*Management and Outcomes of Pregnancy after a Previous Stillbirth: a Multicenter Prospective Observational Study.*"  
Final grade: 110/110 with honors.
- **February 13, 2023**  
National Scientific Qualification obtained, valid until February 13, 2033.

## Work Experience

- **From July 1, 2013 to February 29, 2016**  
Freelance contract at the University Hospital of Modena, Department of Obstetrics and Gynecology  
(*Project: Diagnostic-Therapeutic Pathway for Reproductive Failures*)
- **From March 1, 2016 to present**  
Permanent position as Medical Director in Obstetrics and Gynecology (ID No. 89925), full-time.

### Main activities and areas of expertise:

- Head of the Outpatient Clinic for Obstetric Pathology
- Expertise in:
  - High-risk pregnancy

- Recurrent pregnancy loss
    - Intrauterine fetal death
    - Placental pathologies
    - Pregnancy in oncology patients and those with oncological history
    - Maternal hemodynamic assessment using USCOM
    - Pre-gestational and gestational diabetes
    - Hypertensive disorders in pregnancy
    - Preconception counseling following adverse obstetric and perinatal outcomes
  - Clinical duties in:
    - Delivery Room
    - Obstetric-Gynecological Emergency Department
    - Obstetric and Gynecological Operating Room
  - Skilled in Prenatal Diagnosis:
    - Certified to perform first and second trimester combined tests (FMF certified)
    - Fetal-maternal Doppler ultrasound
    - First and second level morphological ultrasounds
  - **Non-objector physician** who performs:
    - Voluntary terminations of pregnancy (IVG)
    - Therapeutic terminations according to Law 194
  - Private practice activities in Obstetrics and Gynecology within the hospital's intramural system.
- **Mother Tongue:** Italian

## Other Languages

### English

- **Reading skills:** Good
- **Writing skills:** Good
- **Speaking skills:** Good

## Personal Skills and Competences

- Member of the Perinatal Mortality Subgroup of the Birth Commission of the Emilia-Romagna Region
  - Contract Professor at the University of Modena and Reggio Emilia for the course “*Obstetric Emergencies*” in the 3rd year of the Midwifery Degree Program
  - Regional Representative for Emilia-Romagna of the Italian Society of Perinatal Medicine (SIMP)
  - Lecturer in the Level I Master for Midwives in “*Ultrasound and Cardiotocographic Techniques for Midwives*” (2021–2022), University of Modena and Reggio Emilia
  - Lecturer in the Advanced Course “*The First Thousand Days: Promoting and Protecting Health During Pregnancy and After Birth*”, University of Florence, from January 2023 to present
  - Organizer and Chair of the Congress “*Current Topics in the Management of Reproductive Failures*”, held in Modena on October 15, 2024, at the Chamber of Commerce
-

## Organizational Skills and Competences

### (Completed and Ongoing Research Protocols)

- **Co-investigator** of the AIFA Research Protocol FARM5L47XH  
*“HAPPY STUDY: Heparin in women with previous adverse pregnancy outcome to improve the actual rate of successful pregnancy”* – Completed in 2010
- **Collaborator** of the Italian Stillbirth Study Group – MIUR Project *“Studying Stillbirth”*
- **Co-investigator** of the ongoing PROTECT Protocol  
*“Preterm birth prophylaxis with vaginal progesterone (17P) in pregnant women at risk due to cervical shortening: multicenter randomized controlled study”*
- **Co-investigator** of the Regional Project  
*“Improvement of Care Practices in Late Preterm Pregnancies and Births”* (from 01/09/2013)
- Member of the **Regional Working Group on Stillbirth** as part of the Birth Pathway initiative
- **Co-investigator** of the Multicenter Study ADoPAD  
*“Prenatal Diagnosis of Placenta Accreta”* (Approved by the Modena Ethics Committee on 22/09/2015 – ongoing)
- **Co-investigator** of the study:  
*“New Predictive Indicators of Placental Vascular Pathology in Pregnancy”* (Approved by the Modena Ethics Committee in May 2017 – ongoing.)
- **Principal investigator of following studies:**
  - *“MPP-pPROM. Ruolo di agenti infettivi del tratto urogenitale nel parto pretermine e complicanze neonatali: studio retrospettivo osservazionale di coorte monocentrico”* presso il centro dell’Azienda Ospedaliero-Universitaria di Modena, approvato dal Comitato Etico Provinciale di Modena. (Protocollo 919 del 10/9/20)
  - *“Studio prospettico descrittivo multicentrico sulla valutazione emodinamica materna tramite USCOM nel predire eventi ipossico-ischemici intrapartum in gravide affette da disordini ipertensivi e/o ritardo di crescita intrauterino”* presso il centro dell’Azienda Ospedaliero-Universitaria di Modena, approvato dal Comitato Etico Provinciale di Modena. (Protocollo 206/2023 SIRER ID 5915 del 26/01/2024)
  - *“Studio sul management delle gravide che accedono in PS ostetrico con assente/ridotta percezione dei movimenti attivi fetali”*. Presso il centro dell’Azienda Ospedaliero universitaria di Modena, approvato dal Comitato Etico Provinciale di Modena (Protocollo 1385/2020/OSS/AOUMO SIRER ID 1938)
  - *“Monitoraggio domiciliare del ritmo cardiaco fetale in gravidanze di donne positive ad anti-Ro / SSA per il trattamento del blocco cardiaco congenito (FETAL HOPE)”*. Presso il centro dell’Azienda Ospedaliero universitaria di Modena, approvato dal Comitato Etico Provinciale di Modena (Protocollo: 467/2022/SPER/AOUMO SIRER ID 4891) Promotore: ASST Fatebenefratelli Sacco, Ospedale Fatebenefratelli e Oftalmico Sperimentatore: Dott.ssa Francesca Monari Centro clinico: U.O. Ostetricia-Ginecologia
  - *“Esiti perinatali di un management attivo delle donne con rottura prematura delle membrane amniocoriali: uno studio multicentrico controllato randomizzato di fase III, in aperto (PeRinatal Outcomes with ACTIVE versus expectant management of women with Pre-labor Rupture Of Membranes: a phase III, open-label, randomized controlled multicentric trial)”*, EudraCT 2022-002480-30, con Emendamento Sostanziale n. 1 del 20/12/23 (202200248030-001) (P. 1378/24). Presso il centro dell’Azienda Ospedaliero universitaria di Modena, approvato dal Comitato Etico

- **Editor o Rewiever of following national and international journal:**
  - EDITOR DEL BOARD OF THE JOURNAL MINERVA GINECOLOGICA (MINERVA OBSTETRICS AND GYNECOLOGY) INDEXED/ABSTRACTED IN: EMBASE, EMERGING SOURCES CITATION INDEX, PUBMED/MEDLINE, SCOPUS. BI- MONTHLY PISSN 2724-606X. EISSN 2724-6450 DAL 05/03/2021 AD OGGI
