Personal Information

Surname(i) / Name **Pietrangelo Antonello**
Address) St. S. Martino Mugnano 3/1, 41126 Modena (Italy)
Telephone +390594224356
Fax +390594223041
E-mail antonello.pietrangelo@unimore.it
Citizenship Italian
Data of Birth 03/05/1956
Gender Male

Occupation/Title M.D., Ph.D./Professor of Medicine

National Medical Registry Number N° 3173 del 21/12/1981

Professional/Work Experience

Date From 2002 to present
Position Professor of Internal Medicine
Main Activity Teaching and tutoring, School of Medicine, University of Modena and Reggio Emilia:
-Internal Medicine
-Medical Semiotics
-Medical Specialities
Teaching and tutoring PhD School of Molecular and Regenerative Medicine
Name and address of Employer University of Modena and Reggio Emilia,
Via Università 4, 41121 Modena (Italia)

Date From 2009 to date
Position Chief, Unit of Internal Medicine and Center for Hemochromatosis
Main activity and responsibilities 36 beds for internal medicine in-patients; 4 Day Hospital beds for liver disease and genetic disease patients. Out-patient clinics for patients with liver diseases and patients with genetic disorders (Hemochromatosis, Porphyrias, Thalassemias, Wilson disease)
Name and address of Employer University of Modena and Reggio Emilia,
Via Università 4, 41121 Modena (Italia)

Date From 2009 to 2013
Position Chief, "Mario Coppo" Liver Research Center
Main activity and responsibilities Coordination basic and clinical research groups in hepatology
Name and address of Employer Università degli Studi di Modena e Reggio Emilia,
Via Università 4, 41121 Modena (Italia)
Alta formazione e ricerca

Date from 2002 to 2009
Position Chief, Center for Hemochromatosis and Hereditary Liver Diseases
Main Activity Clinical and research activity in the field of genetic disorders
Name and address of Employer University Hospital of Modena
Via del Pozzo 71, 41124 Modena (Italia)

Date From 1993 to 2002
Position Assistant Professor of Medicine
Main activity Teaching courses in medical semiotics
Research activity in the field of liver and genetic diseases
Name and address of Employer University of Modena and Reggio Emilia,
Via Università 4, 41121 Modena (Italia)

Education

Date 1981
Title/Position acquired Medical Doctor, M.D.
Main professional skills acquired Medical skills
Name and address of Employer University of Modena and Reggio Emilia,
Via Università 4, 41121 Modena (Italia)
Marks 110/110 cum laude

Date 1985
Title/Position acquired Specialist in Gastroenterology
Main professional skills acquired Clinical gastroenterology and hepatology
Name and address of Employer University of Modena and Reggio Emilia,
Via Università 4, 41121 Modena (Italia)
Marks 70/70 cum laude

Date 1989
Title/Position acquired PhD
Main professional skills acquired Molecular biology and genetics
Name and address of Employer University of Modena and Reggio Emilia,
Via Università 4, 41121 Modena (Italia)

Date 1989 - 1993
Title/Position acquired Visiting Assistant Professor of Medicine
Main professional skills acquired Transcriptional regulation of liver genes in physiology and pathophysiology
Name and address of Employer Albert Einstein College of Medicine, New York, USA

Personal Skills

Mothertongue **Italian**

Others **English**

Publications n. 295, I.F. 1.656; H index 61 Web of Science, 71 Google Scholar; citations 18691
-Book chapters: 16

Homors and Awards

1989 NATO Advanced Fellowship Award.
1990 Fogarty International Fellowship Award.
1993 EASL International Young Investigator Award, Paris, France.
1995 Marcel Simon Award for Excellence in Research in Disorders of Iron Metabolism, Boston, USA.
1997 EASL International Young Investigator Award, Geneva, Switzerland.
2003 First President International Bioiron Society, Boston, USA.
2009 State-of-the-Art Lecture, Annual Meeting of the American Association for the Study of Liver Diseases (AASLD), Boston, USA.
2015 State-of-the-Art Lecture, Annual Meeting of the European Association for the Study of Liver Diseases (EASL), Vienna, Austria.
2014 President EASL Ethics Committee
2018 President Italian Society of Internal Medicine (SIMI)
2021 Ismar Boas Medal & Honorary State of the Art Lecture German Society of Gastroenterology, Digestive and Metabolic Diseases (DGVS), Leipzig, Germania.

Main scientific achievements -Oncotic pressure contrals liver gene transcription through HNF1 (J Clin Invest 89:1755-1760;1992; Proc Natl Acad Sci USA 91:182-186,1994);
-Molecular basis for iron induced liver fibrogenesis (Hepatology 19:714-721,1994; J Clin Invest 95:1824-1831, 1995; Gastroenterology 109:1941-1949, 1995);
-Discovery of a new hereditary iron overload disease: "the Ferroportin Disease" (N Engl J Med, 341:725-731, 1999; J Clin Invest 108 (4): 619-623, 2001);
-Definition, classification and pathogenesis of Hereditary Hemochromatosis (New Engl J Med 350:2383-97, 2004);
-Transcriptiojnal control of hepcidin, the iron hormone (Nat Genet, 41(4):482-7, 2009; Science, 325(5942): 877-880, 2009).
