Brief Curriculum Vitae (updated as of 18 June 2026)

He graduated in Psychiatric Rehabilitation Techniques from the University of Modena and Reggio Emilia and obtained a master’s degree in health Professions Sciences and Technologies in Rehabilitation from the University of Florence. He was awarded a two-year scholarship for advanced training and research at the University of Modena and Reggio Emilia. He also completed the Advanced Training Course in Statistics Applied to Clinical Questions (University of Modena and Reggio Emilia) and the Advanced Training Course in Systematic Reviews, Meta-Analyses and Guidelines in Healthcare (University of Verona). He obtained a PhD in Clinical and Experimental Medicine from the University of Modena and Reggio Emilia. He holds the Italian National Scientific Qualification for the position of Full Professor in disciplinary area 06/N1, “Health Professions Sciences and Applied Medical Technologies”.

He served as Director of Teaching Activities of the bachelor’s degree in Psychiatric Rehabilitation Techniques from Academic Year 2006/2007 to Academic Year 2022/2023 at the University of Modena and Reggio Emilia. He currently teaches in the bachelor’s degree in Psychiatric Rehabilitation Techniques and Health Assistance, as well as in the master’s degree in medicine and surgery at the University of Modena and Reggio Emilia. He teaches “Research Methodology” at the School of Specialization in Psychiatry of the same University. He carries out his clinical integration activities at the Local Health Authority – IRCCS of Reggio Emilia as Head of the Simple Operational Unit “Recovery-Oriented Rehabilitation and Contribution of Peer Support Experts” within the Integrated Department of Mental Health and Pathological Addictions.

He is registered in the ANVUR Register of Experts for the initial and periodic accreditation of university sites and degree programmes. He is a member of the Teaching Board of the PhD Programme in Neuroscience at the University of Modena and Reggio Emilia. He is a COST Action External Expert for the European Commission. He is also a member of the Executive Board of the Permanent Conference of bachelor's and master's Degree in the Health Professions, of the National Board of the Italian Society of Psychosocial Rehabilitation (SIRP), and of the Scientific Committee of the Italian Association of Psychiatric Rehabilitation Technicians (AITeRP).
