PROF. ROSARIO ROSSI

UNIVERSITY OF MODENA AND REGGIO EMILIA

Prof. ROSARIO ROSSI

Cardiology unit

Policlinico di Modena hospital

University of Modena and Reggio Emilia

E-mail: rosario.rossi@unimore.it

Rosario Rossi was born in Cosenza on 05/01/1967.

He is married, with 3 children.

On November 6, 1992 he graduated in Medicine and Surgery from the University of Modena, with a grade of 110/110 cum Laude.

He specialized in Cardiology at the University of Modena on 21/11/1996, with a score of 50/50.

Since September 16, 1997 he has been carrying out assistance functions, as medical manager, at the Cardiology unit in the Policlinico University Hospital of Modena.

Professor Rosario Rossi is integrated full time in the Cardiology unit of the Modena Policlinico hospital.

He is currently Head of the University Program called: STUDY AND TREATMENT OF PULMONARY HYPERTENSION AND PULMONARY VASCULAR DISORDERS.

ASSISTANCE ACTIVITIES

Prof. Rosario Rossi performed, as first operator, more than 12,000 hemodynamic and interventional cardiology procedures, of which about 1400 cardiac and pulmonary catheterization studies in patients with pulmonary hypertension, 25 rheolytic therapies (with mechanical aspiration of the thrombus from the pulmonary arteries) during acute pulmonary embolism, about 80 pericardiocentesis procedures, as well as almost 8500 coronary percutaneous procedures (angioplasties), of which about 3000 during acute myocardial infarction (primary angioplasty).

Since 24 April 2011 from 1 November 2015 he was Director of the Hemodynamic Unit of the Policlinico di Modena hospital

ACADEMIC ACTIVITY

Winner of the public competition for 2nd level University Professor in the SSD MED / 11 - CARDIOVASCULAR DISEASES (DR no. 283 of 17.04.2007).

Since 1 November 2007 he has been a full-time Associate Professor of Cardiovascular Diseases (SSD MED / 11) of the Faculty of Medicine and Surgery of the University of Modena and Reggio Emilia.

In the session of November 25, 2010, Prof. Rosario Rossi received confirmation in the role from the Faculty of Medicine and Surgery, for which he is currently Confirmed Associate Professor.

Prof. Rosario Rossi has taught in various Degree Courses and Specialization Schools of the Faculty of Medicine and Surgery of the University of Modena and Reggio Emilia.

Priority affiliation to the Degree Course for Cardiovascular and Perfusion Technicians. He is also a member of the teaching staff of 2 further degree courses: Medicine and Nursing.

He is a member of the teaching staff of the following Specialization Schools of the Faculty of Medicine and Surgery of the University of Modena and Reggio Emilia: Cardiovascular Diseases, Respiratory Diseases, Cardiac Surgery, Vascular Surgery, Thoracic Surgery, Dermatology, Pediatrics.

He has been a member of the Council of the Interdepartmental University Center for Rare Lung Diseases, since its establishment.

From May 2013 to May 2016 he was Director of the post-graduate School in Cardiology of the University of Modena and Reggio Emilia.
